GENERAL CONDITIONS OF SALE

PRICES

Subject to any variation according to market conditions: prices do not include VAT. This Price Rate cancels the previous one and renders the previous ones without effect.

PAYMENT METHODS

All orders shipped out of the Spanish-Portuguese Peninsula (including its overseas regions), have the initial condition to pay in advance before the goods are shipped from any of our warehouses.

This condition will include a 2% discount to the total order amount.

The payment conditions indicated on the invoice are mandatory, each variation that has not been previously and expressly confirmed will not be accepted. Failure to pay in these agreed terms will imply the suspension of all portfolio orders without prior notice.

RECEPTION OF GOODS

When receiving a shipment, they must check that the packages and articles match what is stated on the delivery note, as well as the physical state of the material. Any anomaly observed must be communicated to the carrier, noting it on the delivery receipt and not taking charge of the material.

If the material has not been able to be reviewed at the time of receipt, in the following 24 hours they can notify the Factory of the anomaly they detected. After 24 hours. From the reception of the goods, no claim for material breakage will be accepted.

MIRTAK WARRANTY

Against any manufacturing defect of its components always counting from the date of purchase: Faucet: 3 YEARS Rest of material: 2 YEARS

MIRTAK WILL NOT BE CHARGED FOR

- Incorrect installation or use
- Cuts and scratches caused by impacts or customer accidents.
- Normal time of use
- Deterioration due to inadequate maintenance.

RETURNS

Merchandise returns will not be accepted if they are not previously authorized by Mirtak.

Returns of authorized merchandise will be received at our warehouse freight prepaid, or by our commercial representative in the area, with attached coupon and reason for return.

If the return is due to a manufacturing defect, it will be made through our usual carrier, postage due.

Once the material has been received at the Factory, the reason for the same will be assessed and the procedure will be as agreed by our sales department.

Any return that involves a credit will suffer an invoice depreciation of:

- If it is from the current year: -10% depreciation
- If it is prior to two years: -25% depreciation
- If it is older than three years: -50% depreciation

* As long as it is not out of catalogue
